

## DEVELOPMENT SERVICES FEE SCHEDULE Resolution 965-12

The following policy shall serve as the official Fee Schedule for Garden City Development Services applications and procedures. Fees shall be calculated on the basis of the cumulative fee for the individual tasks and applications.

**Payment:** Fees may be paid by cash, credit card or check. Purchase Orders will not be accepted.

**Fee Refunds Reductions or Waivers:** Fees may not be refunded, reduced or waived except through City Council approval. Fees paid for a permit may be refundable for up to 80% and in no cases shall fees paid for completed reviews, observations, denied or expired permits be refunded. Refund requests shall be made in writing and be accompanied by the original permit. To be eligible for a refund, the refunds must be requested within 90 days of the date of payment.

**Insufficient Funds Checks:** Any applicant who submits a check with insufficient funds will immediately be subject to hourly administrative charges, having a stop work order posted on the project, and or termination of services until said funds have been recovered. Any applicant who submits more than one check with insufficient funds will be required to pay for all future permits with cash, cashiers check or money order.

**Outstanding Fees:** Fees shall be considered outstanding after one hundred eighty (180) days from the last activity or if the application has expired, become final, or null and void for any reason. The City will notify the interested parties twice in thirty (30) day intervals prior to progressive steps which may include collections, legal action or termination of water and sewer services to the subject property. Outstanding fees that benefit the property will stay with the property regardless of ownership of the property. There shall be no further entitlements in the form of permits granted through the Development Service Department until the outstanding fees on a property have been paid.
